SSFE 2014 - Program

Scandinavian Society of Forest Economics (SSFE) Biennial Meeting
May 21–23, 2014, Uppsala, Sweden
24 May: Excursion to Arboretum at Ekolsund, Uppland
Venue: First Hotel Linné, Skolgatan 45, Uppsala, Sweden

Wednesday, May 21

Parallel session 3: Forest Industry & Forest Products Markets
Chair: T. Nord, Room: “Festvåningen”
15:30 – 16.00  A. Toppinen, I. Hakala, M. Autio: Does country of origin matter? Qualitative analysis of young people's choice of wooden household furniture in Germany and Finland
16:00 – 16.30  D. Staal Wästerlund, T. Kronholm: A market analysis of the harvestings services engaged by private forest owners in Sweden
16:30 – 17.00  M. Stendahl, E. Erlandsson: Operations management, cooperation and negotiation in the wood supply chain - the relationship between sawmills and sawlog suppliers
17.00 – 17.30  K. Lähtinen, M. Toivio, O. Suur-Uski, M. Mikkilä, A. Toppinen: Collaboration opportunities in CSR reporting for Finnish non-industrial private forestry and non-integrated sawmilling industry

Parallel session 4: Ecosystem services
Chair: R. Mavsar, Room: “Linnésalen”
15:30 – 16.00  O. Saastamoinen: Observations on CICES-based classification of ecosystem services in Finland
16:00 – 16.30  I. Prokofieva, E. Gorriz: Institutional analysis of incentive schemes for ecosystem service provision - a comparative study across four European countries
16:30 – 17.00  V. Ovaskainen, E. Mäntymaa, L. Tyrväinen: Voluntary contracts for enhanced forest amenities: Forest owners' willingness to participate and compensation claims
17.00 – 17.30  E. Mäntymaa, V. Ovaskainen, A. Juutinen, L. Tyrväinen: Heterogeneity in visitors' attitudes and preferences for forest amenities: Choice experiment models and multivariate methods
17.30 – 18.30  Break and checking into rooms
18.30  Dinner

Thursday, May 22
08.00  Breakfast
09.00 – 10.00  Plenary session with invited speaker
Gregory S. Amacher, Virginia Tech, USA
The state of forest economics 37 years after Samuelson's forestry in an evolving society article
Room: Linnésalen
10.00 – 10.30  Coffee
Parallel session 1: Business Economics of Forestry & Forest Management and Planning
Chair: P. Gong. Room: “Verandan”
10:30 – 11.00  H-F. Hoen: *Forest sciences in the 21st century – how can forest economics and management contribute?*
11:00 – 11.30  T. Burkhardt, B. Möhring, J. Gerst: *An analytic approach to include hazard risks into forest decision models in discrete time*
11:30 – 12.00  C. Price: *Treating irregularities in carbon price and discount schedule: resolving a nightmare for forest economics*

Parallel session 2: Forest Policy
Chair: O. Saastamoinen. Room: “Aspen”
10:30 – 11.00  M. Favero, P. Gatto, D. Pettenella: *Common properties and municipalities: Institutional relations in forest environmental services provision. A case study in an Alpine Region.*
11:00 – 11.30  S. Wunder, J. Börner, R. Kim Bakkegaard: *When conditional payments meet integrated conservation: Early lessons of the Bolsa Floresta program (Amazonas Brazil)*
11:30 – 12.00  F. Schubert, U. Mantau: *Preferences for subsidy programs on non-governmental forest owners*

Parallel session 3: International Forestry
Chair: A. Toppinen. Room: “Festvåningen”
10:30 – 11.00  A. Soltani, O. Hofstad: *Where does the road lead to - development or degradation? Results of a bio-economic model at watershed level*
11:00 – 11.30  C. Kombat Lambini: *Provision cost of forest externalities of private forest owners in Hoa Binh Province Vietnam: a stocastic cost frontier analysis*
11:30 – 12.00  M. Mekonen Araya, O. Hofstad: *Profitability of past and future deforestation of miombo wood lands in Maseyu village Tanzania*

Parallel session 4: Ecosystem Services
Chair: G. Bostedt. Room: “Linnésalen”
10:30 – 11.00  M. Kniivilä, A-K. Kosenius, P. Horne: *Creating market for biodiversity by using habitat banking: preliminary assessment of suitability to Finland*
11:00 – 11.30  T. Hujala, J-P. Rantonen, J. Tikkanen, V. Ovaskainen, L. Tyrväinen: *Assessing alternatives for recreational value trading*
11:30 – 12.00  I. Prokofieva, R. Mavsar: *Who should carry the cost of ecosystem service provision - a pan-European citizens' view*
12.00 – 13.00    Lunch

13.00 - 15.00    In congress excursion, alternative 1: Guided walking tour in Uppsala 2 hours.
Return at 15.00 and coffee at Hotel Linné at 15.00

13.00 – 15.30    In congress excursion, alternative 2: “Stadsskogen”/ (“The Urban Forest”)
Management of recreational forest in Uppsala
Leave by bus at 13.00 min
Excursion
Coffee in the forest
Back to Hotel Linné at 15.20

Parallel session 1: Business Economics of Forestry & Forest Management and Planning
Chair: D. Brazee. Room: “Verandan”
15:30 – 16.00    F. Jensen, J. Bredahl Jacobsen, N. Strange, B. Jellesmark Thorsen: Wildlife reserves, populations and hunting outcome with smart wildlife
16:00 – 16.30    T. Enggrob Boon, H. Meilby, A-S. Kirkegaard Andersen: Motivations to leave coarse woody debris in private forests - a survey based study
16:30 – 17.00    H. Ekvall, G. Bostedt, M. Jonsson: Least-cost allocation of measures to increase the amount of coarse woody debris in forest estates

Parallel session 2: Forest Policy
Chair: P. Berck. Room: “Aspen”
15:30 – 16.00    A. Bartczak, M. Krawczyk, A. Stenger: Ecosystem services on forested lands: an experimnnt on the role of auction format and communication
16:00 – 16.30    S. Caurla, A. Niedzwiedz, S. Garcia: Store of export? An economic evaluation of financial compensation to forest sector after windstorm
17:00 – 17.30    S. Elizabeth Vedel, J. Bredahl Jacobsen, B. Jellesmark Thorsen: Private forest owners' willingness to accept contracts for ecosystem service provision and the additionality principle
Parallel session 3: Forest Industry & Forest Products Markets
Chair: L. Lönnstedt. Room: “Festvåningen”
15:30 – 16.00 A-L. Levet: *International trade of forest-based and wood products: analysing and modelling*
16:00 – 16.30 E. Hurmekoski, L. Hetemäki: *Factors affecting sawnwood consumption in Europe*
16:30 – 17.00 Å. Gustavsson, J. Johansson, L. Eliasson: *Quality assurance practices in the sawmill industry*
17:00 – 17.30 S. Brege, T. Nord, D. Nordigården, J. Holtström: *Closer customer relation to improve sawmill production and profitability*

Parallel session 4: Ecosystem services
Chair: A. Stenger. Room: “Linnésalen”
15:30 – 16.00 A. Miettinen, E-L. Korpela, K. Hyytiäinen, M. Kuussaari: *Cost-effectiveness of policy measures promoting flowering-visiting insect diversity in boreal agricultural landscapes*
16:00 – 16.30 E. Górriz, M. Piqué, E. Varela, I. Prokofieva: *Setting scenarios for costs of forest ecosystem services provision in Mediterranean forests: the case of Aleppo pine in Catalonia*
16:30 – 17.00 E. Kindler: *Management of ecosystem services: analyzing interactions*

18.30 Conference dinner: Linnéträdgården, “Orangeriet”

Friday, May 23
08.00 Breakfast
09.00 – 10.00 Plenary session with invited speaker
Susanne Rudenstam, Wood Building Council, Sweden
*Sustainable housing – the way is wood*
Room: Linnésalen
10.00 – 10.30 Doru-Leonard Irmie, EU Reasearch:
*Forest sector economics in ongoing collaborative research projects and perspectives in Horizon 2020*
Bring coffee to the separate parallel sessions…

Parallel session 1: Business Economics of Forestry & Forest Management and Planning
Chair: J Bredahl Jacobsen. Room: “Verandan”
10:30 – 11.00 C. Price: *Perception of tree disease mitigation: what are people willing*
to pay for, and what do they actually get?

11:00 – 11.30
C. Petucco, A. Stenger, J. Abildtrup: 
*Influences of non-industrial private forest landowners' management priorities on the timber harvest decision*

11:30 – 12.00
R. Mavsar, E. Varela, J. Bredahl Jacobsen: *Would improved management of Aleppo pine forests in Catalonia improve the social well-being?*

Parallel session 2: Forest Policy
Chair: A. Bartczak. Room “Aspen”

10:30 – 11.00
P. Berck: *Climate and Land Use Change*

11:00 – 11.30
T. Hujala, A. Ervola, P. Rikkonen, H. Rintamäki, M. Makkonen, J. Uusivuori: *Critical viewpoints for renewing forest taxation and subsidy schemes in Finland: results from a Delphi study*

11:30 – 12.00
H. Meilby, B. Jellesmark Thorsen, T. Nord-Larsen, V. Kvist Johansen, J. Bredahl Jacobsen: *Effects of heritage taxation in Danish forestry*

Parallel session 3: Forest Industry & Forest Products Markets
Chair: M. Stendahl. Room: “Festvåningen”

10:30 – 11.00
M. Larsson, M. Stendahl, A. Roos: *Mapping and performance indicators of wood based supply chains - an overview and research issues*

11:00 – 11.30
M. Wan: *Consumer perceptions of environmentally friendly children's furniture in Shanghai and Shenzhen, China*

11:30 – 12.00
Å. Gustavsson: *Logistics service requirements in the industry for producing pallet collars - Identification and clustering of logistics service requirements*

Parallel session 4: Ecosystem services
Chair: J. Abildtrup. Room: “Linnésalen”

10:30 – 11.00
G. Tu, J. Abildtrup, S. Garcia: *Stated preferences of French citizens for urban green spaces and forest: A discrete choice experiment on residential location choice*

11:00 – 11.30
S. Berghäll, Mattila, Kuusisto, Häyrinen, Toppinen: *Are the social layers of ecosystem services understandable through the service dominant logic: The business potential of forest as an experience*

11:30 – 12.00
D. D’Amato, D. N. Li, M. Rekola, A. Toppinen: *Linking forest ecosystem services to corporate sustainability disclosure: a conceptual analysis of frameworks*

12.00 – 13.00
Lunch
Parallel session 1: Business Economics of Forestry & Forest Management and Planning
Chair: S. Berghäll. Room: “Verandan”

13:00 – 13.30   J. Leppänen:  *Entrepreneurial identity of family forest owners in Finland*

13:30 – 14.00   O. Mattila, Berghäll, Häyrinen, Toppinen:  *Towards service-oriented business models in the forestry service sector*

14:00 – 14.30   J. Miettinen, M. Ollikainen, T.M. Nieminen, L. Ukonmaanaho, A. Lauréne, J. Hynynen, M. Lehtoneng, L. Valsta:  *Whole-tree harvesting with stump removal versus stem-only harvesting in peatlands when water quality, biodiversity conservation and climate change mitigation matter*

14:30 – 15.00   Z. Guan, P. Gong:  *The trade effect of reducing illegal logging*

Parallel session 2: Forest Policy
Chair: T. Burkhardt. Room: “Aspen”

13:00 – 13.30   J. Korhonen, Y. Zhang, A. Toppinen:  *The impact of forests as a strategic resource on the industry financial performance*

13:30 – 14.00   P.K. Rörstad, B. Solberg:  *Timber supply in Norway - Are there regional differences?*

14:00 – 14.30   E. Varela, J. Bredahl Jacobsen, M. Soliño:  *Social preferences for fire prevention management: A choice experiment application in the Mediterranean*

14:30 – 15.00   T. Nummelin, M. Riala:  *How do young Swedish people view forests of future*

Parallel session 3: International Forestry
Chair: J. Bredahl Jacobsen. Room: “Festvåningen”

13:00 – 13.30   O-P. Kuusela, J. Uusivuori:  *In search of double dividend: Payments for environmental services, community forests and poverty alleviation*

13:30 – 14.00   S. Chomba, T. Treue:  *Forest governance and vulnerability in a warming world: Can benefits from community forestry help the poor?*

14:00 – 14.30   L. R. Möller, J. Bredahl Jacobsen:  *Benefits of interrelationships between climate change mitigation and adaptation: A case study of replanting mangrove forest in Cambodia*

14:30 – 15.00   H. Overgaard Larsen, T. Treue, Y. Ngaga, G. Kajembe, S. Chamshama, H. Meilby, I. Theilade:  *Comparing one-year recall and daily household records of livelihood activities*
Parallel session 4: Ecosystem Services
Chair: D. Pettenella. Room: “Linnésalen”

13:00 – 13.30  T. Hedemark Lundhede, J. Bredahl Jacobsen, N. Hanley, J. Fjeldså, C. Rahbek, N. Strange, B. Jellesmark Thorsen: Public support for conserving bird species runs counter to climate change impacts on their distributions

13:30 – 14.00  L. Secco, E. Vidale, D. Pettenella, P. Gatto, G. Corradini, I. Pasutto, M. Dissegna: The implementation of Payments for Ecosystem Services (PES) in the forest protected areas: empirical evidences from a case-study in Veneto region, Italy

14:00 – 14.30  J. Abildtrup, S. Garcia, E. Kéré: Land use and drinking water supply

14:30 – 15.00  C. Petucco, S. Garcia: The influence of setting aside forest land for biodiversity conservation on forest management costs - an econometric study on non-industrial private forest owners in Denmark

Coffee

15.15 -  Business Meeting

…..  … on your own in Uppsala or travel home

Saturday, 24 May

Before 09.00  Checking out of rooms
08.00  Breakfast
09.00 – 13.00  Excursion to Arboretum at Ekolsund, Uppland, lunch included (18 persons)
9.00-9.45  Bus to Ekolsund
9.45-14  Walk
Excursion with Botanist B. Drakenberg
Lunch
14.00  Bus Ekolsund-Arlanda, via Sigtuna. Arrival Arlanda at 15
