Second announcement

Scandinavian Society of Forest Economics (SSFE)

INVITATION

2010 Biennial Seminar
May 19 -22, 2010

Excursion in the area on 22 May, 2010

The aim of this international seminar is to present research, exchange ideas and promote collaboration between researchers in forest economics. SSFE is organised in four working groups:

- Business Economics of Forestry & Forest Management Planning
- Forest Policy
- Forest Industry & Forest Products Markets
- International Forestry

Parallel sessions will in principle be organised according to these working groups. Besides the parallel sessions there will be plenary sessions.

We invite all interested researchers to participate in the seminar and submit abstracts for papers to be presented.

For PhD-students: We will be able to offer some financial support towards travel and accommodation costs; thanks to an SNS grant. Depending on country of origin and number of PhD-students, the support will be in the range of 250-500€.
