SSFE 2014
Second Call for abstract submission.

Extended deadline for abstracts: 17 March 2014

All interested researchers are invited to participate in the meeting and to submit abstracts for papers to be presented.

The society is organized around four working groups:

1. Business Economics of Forestry & Forest Management and Planning
2. Forest Policy
3. Forest Industry & Forest Products Markets
4. International Forestry

Parallel sessions will be organized according to these working groups. In addition there will be plenary sessions with distinguished keynote speakers:

- Nick Hanley, UK
- Gregory S. Amacher, USA
- Susanne Rudenstam, Träbyggnadskansliet

A restricted number of post-graduate students presenting a paper are eligible for free accommodation and conference participation. Please note in your abstract if you are a PhD candidate.

This year, the Biennial meeting of the SSFE is joined by the researchers of the NEWFOREX (EU-FP7, www.newforex.org) project, focusing on methods and policies for the provision of forest ecosystem services.
