

FINAL announcement

INVITATION

Scandinavian Society of Forest Economics (SSFE)
2018 Biennial Seminar
May 22rd -25th, 2018

The aim of our society's international seminar is to present research, exchange ideas and promote collaboration between researchers in forest economics. The society is organised around four working groups:

- Business Economics of Forestry & Forest Management and Planning
- Forest Policy
- Forest Industry & Forest Products Markets
- International Forestry

Parallel sessions will be organised according to these working groups, and according to timely themes. Four invited speakers will offer plenary sessions – this year with a theme on science and policy.

We invite all interested researchers to submit abstracts for papers and join the conference to present the papers.

Conference fee incl. accommodation, all meals etc., is expected to be around 725 € for a single room all three nights, and 1,100 € for a shared room all three nights (550 per person). We will be able

to offer modest financial support towards accommodation for PhD students presenting papers; thanks to an EFINORD-SNS grant. Depending on demand the support for PhD-students will be in the range of 300-400€.

We hope to be able to make available travel support for PhD students.

Deadlines

March 16th: Registration (binding)
To Charlotte Jacobsen
cja@ifro.ku.dk

April 15th: Submission of abstracts
To Charlotte Jacobsen
cja@ifro.ku.dk
